Ms. Krishna Shukla - BBA retail

Designs by Nimantran

Nimantran started as a passion project for two best friends when the world was in lockdown, has grown into a collaborative design studio. We believe that design is indispensable when it comes to communicating who we are & what we value.

At Nimantran, we ideate, deliberate & create visual assets that complement your marketing efforts. Our business verticals broadly include: brand design, graphic design, social media design & web design.

Ms. Riya Akre - BBA Logistics

My company name is Lenar Agro LLP.

I started working during the pandemic.

It's an online business where we deliver various products like fruits, cold pressed oil, grains to customers.

I directly procure and work with the farmers.

Also, handle retail stores product - Dryfruits.

I look into all the departments in the company but my main focus is on demand and supply of the products. And maintaining the supply chain smoothly.

I also aim to set up grocery stores in various societies.

Mr. Aniket Pruthi - BBA Logistics -

Preton energy

Preton energy was started about an year ago With the focus to supply lithium batteries for electric vehicle and energy storage. After that we started developing the tech which was needed to improve the efficiency of our products. We are based in gurgaon with our plant in gurgaon and manesar with a capacity of 4000 units per month.

Congrats
